

Mums & Asters *from* Green Leaf

What we like about this program:

- Low Minimum Order AND 5% Early Order Discount if booked by Feb 4.
- The Igloo Series of Dendranthemum makes a great starter mum program!
 - 17 colors to choose from
 - Hardy to zone 5
 - NO-PINCH required
- Garden Mums in two forms:
 - “Pull & Pack” option for the most economical freight savings. These are bagged rooted cuttings, grown exactly the same as the 50 strip tray, but shipped without the plastic tray. Ideal if they will be planted immediately and space is limited or you can put them in a cooler to plant over a few days.
 - 50 strip liners (1/2 of a 102 tray) have become a norm in our industry so that you, the grower, can offer a greater selection of colors without increasing quantity. Easy to plant and can be combined to ship with other perennial, herb and grass orders.
- Freight is charged per tray, easy to calculate your delivered costs. Call for freight pricing.
