HERB-FENNEL**SWEET FLORENCE - 7752**

36-48 in. - Heirloom. 7,500 S. Leaves used in fish sauces and for garnishing. Young shoots are an excellent tender vegetable called Finocchio. Will attract butterflies all season. European researchers have indicated this herb relaxes the muscles in the digestive system and helps expel gas. Also, it is believed to kill some forms of bacteria and is helpful in treating diarrhea. Perennial.

HERB-HOREHOUND**Cut HOREHOUND - 7761**

24 in. - Heirloom. 29,500 S. Early settlers used this herb as a honey flavored tea remedy for coughs, colds, tuberculosis, hepatitis, and as a laxative. Current herbalists suggest using it as a gargle for tonsillitis, sore throat, and coughing. Perennial.

HERB-HYSSOP**HYSSOP - 7762**

18 in. - Heirloom. 19,000 S. Strongly scented flowers used as a perfume base. Attracts butterflies all season. The Book of Psalms says "Purge me with Hyssop and I shall be clean". (It was used as a poultice to cure cold sores and genital herpes). Current herbalists suggest using it as a gargle for tonsillitis, sore throat, and coughing. Perennial.

HERB-LOVAGE**LOVAGE - 7775**

50 in. - Heirloom. 11,000 S. Beautiful clusters of yellow flowers. Aromatic seeds used in cakes. Celery-like plant, ideal in soups and salads. Herbalists believe the root can be used as a natural diuretic, like Parsley. Perennial.

HERB-MINT**LEMON MINT - 7773**

40 in. - Heirloom. Monarda Citriodora. 65,000 S. Similar to Balm with larger lemon-scented leaves. Will attract butterflies all season. Perennial.

PEPPERMINT - 7778

20 in. - Heirloom. Mentha Piperita. 385,000 S. Will attract butterflies all season. As a tea, it may help to prevent stomach ulcers and stimulate bile secretion. Used as an antacid. Grow in your garden to control insects, rub leaves on your clothing to repel fleas, mosquitos, ticks, gnats, and flies. Perennial.

HERB-OREGANO**Cut OREGANO - 7766**

14-24 in. - Heirloom. 303,000 S. Used for sauces and seasoning. Strong, spicy flavor. Add to sauces and pasta salads. As a tea, herbalists believe it can be used as a digestive aid, relief from arthritis, relieve discomfort for chest congestin, colds, flu and effective as a tranquilizer. Perennial.

HERB-PARSLEY. ALSO SEE LISTING UNDER VEGETABLES**HERB-PARSLEY****EXTRA CURLED DWARF - 7770**

12 in. - Heirloom. 14,000 S. Finely curled, compact dark green leaves, very productive. Early herbalists believed this herb to be a diuretic for kidney problems, fluid accumulation and a substitute for quinine to treat malaria. It is very high in Vitamins A and C and is an excellent natural breath freshener, digestive aid and tea to treat high blood pressure and rheumatism. More compact growing than the standard garden variety. Annual.

SINGLE OR ITALIAN LEAF - 7846

16 in. - 15,000 S. Heirloom. Plain or flat, deep cut dark green leaves with a very strong flavor. An excellent addition to salads, cooked vegetables, soups, or stews. Taller and stronger flavor than the standard strain. Annual.

HERB-PARSLEY ROOT**PARSLEY ROOT - 7424**

23,000 S. Heirloom. 8-10 in. Long carrot-parsnip like roots used for seasoning in soups and stews. Tender leaves can be used as a flavor to salads or steamed. Leaves can be also used in tea as a natural diuretic or treatment of pain from rheumatism. Annual.

HERB-PENNYROYAL**FLEABANE - 7767**

Heirloom. 125,000 S. Creeping growth habit. Leaves are used in tea to aid stomach disorders and digestion. Good edging to repel insects and fleas. Roman naturalists detected that this herb repelled fleas - this is where the name fleabane was derived from. Grow in your garden to control insects and rubbing the leaves on your clothing or pets to repel fleas, mosquitoes, ticks, gnats and flies. It is the main ingredient found in natural insect repellants. Perennial

HERB-ROSEMARY**ROSEMARY - 7787**

24 in. - Heirloom. 22,000 S. For relief of headache, seasoning, perfume. Ancient herbalists believe that a sprig of Rosemary under your pillow will ward off bad dreams and if planted in the garden will repel witches. Traditional herbalists use it to treat stomach disorders, headache, insomnia, indigestion, depression, muscle pain, and as a gargle for bad breath. Medieval Greek students once wore garlands of fresh Rosemary around their heads believing the Herb would improve their memory.

HERB-RUE**RUE - 7783**

24 in. - 14,000 S. Heirloom. Flavorful addition to cheese entrees, gravy and salads. Herbal medicine for sore throats, headaches and sore joints. Aromatic, silvery-blue leaves. Will repel whitefly in the garden. Good edging, that will repel insects.. Perennial.

MARGLOBE VF - 8436

12,000 S. Heirloom. 75 days. An improved disease resistant strain. Red fruit; smooth and solid 6 oz. fruit that is crack resistant. Indeterminate stake habit.

MORTGAGE LIFTER - 8408

11,000 S. Heirloom. 85 days. Large, pink fruit is very meaty, great flavor with few seeds. Legend says "Radiator Charlie" named the tomato after its excellent crop helped him to pay off a farm about to be foreclosed on. Indeterminate habit.

MR. STRIPEY - 8437

11,500 S. Heirloom. 80 days. Yellow beefsteak type fruit with red-streaked flesh. Large flavorful fruits range from 14 oz. to 3 lbs. Also called "Old German" or "Pineapple". Indeterminate habit.

OXHEART - 8442

13,000 S. Heirloom. 90 days. Extra large, heart-shaped reddish-pink fruit, few seeds, mild flavor. Fine variety. Non-acid. Indeterminate stake habit.

POLISH LINGUISA - 8438

19,000 S. Heirloom. 72 days. Fruits are large, sort of pie-shaped (flattened pear) and average 7-10 oz. each. Delicious flavor, high yielding. Indeterminate habit.

PONDEROSA RED - 8444

13,000 S. Heirloom. 85 days. Large, red fruit, mild flavor. Indeterminate stake habit.

PRINCIPE BORGHESE - 8445

12,500 S. Heirloom. 60 days. A heavy yielding variety of small, red plum fruits. Popular in Italy and California for sun drying. Determinate habit.

PRUDEN'S PURPLE - 8403

8,000 S. Heirloom. 70 days. Potato leaf foliage. Large, 12-16 oz. dark pink fruits with delicious crimson flesh. An early "Brandywine" variety that is heavy yielding. Indeterminate habit.

RADIATOR CHARLIE - 8416

8,000 S. Heirloom. 82 days. Large, 8-10 oz. pink fruits that are very flavorful. Indeterminate habit.

ROMA VF - 8454

12,000 S. Heirloom. 75 days. Pear shaped 2 oz. fruit, ideal for paste or puree. Fusarium and verticillium resistant. Determinate bush habit.

RUTGERS VF - 8455

12,500 S. Heirloom. 75 days. An improved disease resistant strain. Fruit is 6 oz. bright red; globular with smooth, thick walls that are crack resistant. Determinate stake habit.

WONDER LIGHT - 8480

12,000 S. Heirloom. 75 days. Oval shaped yellow fruits with rippled skin that resembles a lemon. Very tasty in salads, salsa, and slicing. Indeterminate habit.

YELLOW BRANDYWINE - 8401

11,000 S. Heirloom. 90 days. Potato-leaf foliage. Very large, 16-24 oz. yellow fruits of exceptional quality and gourmet flavor. Indeterminate habit.

TOMATO, F-1 HYBRID

New

GLORY - 8417

(F-1 Hybrid). 8,000 S. 75 days. The best of both worlds: more vigor and higher yields than heirloom types, with a flavor reminiscent of Red Brandywine. 12 oz. fruits are oblate with soft, sweet, meaty flesh. Indeterminate.

TOMATO, SMALL FRUITED**RED CHERRY - 8474**

19,000 S. Heirloom. 75 days. Cherry shaped red fruits. Indeterminate habit.

TINY TIM - 8484

17,500 S. Heirloom. 45 days. Grows only 10-12 in. tall and about 14 in. across. A heavy yielder with clusters of 1 in. red, fine-flavored fruit. Can be grown as a pot plant anytime of the year. Indeterminate habit.

YELLOW PEAR - 8478

15,500 S. Heirloom. 75 days. Pear shaped yellow fruits. Indeterminate habit.

YELLOW PLUM - 8477

8,500 S. Heirloom. 75 days. Plum shaped yellow fruits. Indeterminate habit.

TURNIP**PURPLE TOP, WHITE GLOBE - 8091**

13,000 S. Heirloom. 55 days. Firm, crisp flesh can be eaten raw or cooked.
