Discounts: 5% Annual Earned Discount will be applied once a customer's yearly sales total reaches \$7500.

5% Early Order Discount is available for all non- vernalized liners placed 20 weeks prior to the ship date.

10 % Early Order Discount is available for vernalized plants and must be ordered by July 1, 2010.

Claims: Must be reported to Germania Seed Company within 48 hours after receiving plants. Please keep in mind that vernalized plants may arrive dormant and will need time to "green up". If you have concerns, do let us know. We will be happy to file a preliminary claim, then wait for the plants to break dormancy before finalizing any problems. Photos are requested whenever possible to aid in assessing claims.

Cancellations: A 20% restocking fee will be charged for any prebooked order cancelled once production has been started.

A note on vernalized plants: Greenleaf offers both vernalized and non-vernalized 72/tr and 32/tr plants. The price is a bit higher for vernalized plants. We have designated the vernalized items with the code "OV" in the price column. These plants only ship February - April. Please be sure to specify whether you need vernalized or non-vernalized plants when placing your order.

A note on clean stock: Greenleaf has tackled the issue of perennial plant health by initiating a Virus Negative certification program. This insures healthier, more vigorous crops that are safe to mingle with your other, more sensitive greenhouse crops.

A note on unrooted vs rooted plants: Unrooted cuttings are being produced in South America. They will be shipped FedEx Priority One for the shortest possible transit time. Freight will only be charged from the port of entry in Miami to your door. Because these cuttings are not produced in the states, rooted and unrooted orders may not be combined.

A special note to customers west of the Rocky Mountains: Orders for plant material going to California, Idaho and Nevada can only be sent in June by special advance order. Orders shipping to Arizona, Hawaii, Montana, Oregon, Utah and Washington can only be shipped October thru May.
