Discounts:	Volume discounts available on a per shipment basis, starting at 10 trays for 275's and 11 trays for 50's. Additional discounts for 50 cell trays based on ship date - please call for a specific quote, as these are approximate: • Approximately 8¢ per plug discount when shipping between November 19, 2018 and February 18, 2019. • Approximately 6¢ per plug discount when shipping between February 25, 2019 and March 11, 2019. • Deeper discounts for 11+ non-vernalized trays shipping between September 10, 2018 and November 12, 2018.
Claims:	Must be reported to Germania Seed Company within 48 hours of receiving plants. Photos are requested to aid in assessing claims when possible. Please take clear photos of any damage to the box and/or plants and include the tray label whenever possible. Certain varieties require supplemental light and temperatures in order to grow and perform properly: these will be marked ⚙️ and a 'Growing Recommendations' sheet will be sent with every applicable order. If these instructions are not followed, Swift cannot be liable for any losses or claims. Keep in mind that vernalized plants may arrive dormant and will need time to "green up". If you have concerns, let us know; we will be happy to file a preliminary claim, and wait for the plants to break dormancy before finalizing any claims. Swift Greenhouses will not honor any claims on plants shipped to Alaska.
Cancellations:	Please, no cancellations can be accepted for 275's once production has begun. Cancellations for 50's can only be accepted prior to February 4, 2019. Also, no cancellations are permitted on 10 trays or more of one variety after they have been held and acknowledged for 3 months or longer.

A Note on 275/tr plugs booked from availability:

Plants shipped at once from availability (overage) will not be patched and therefore may be down counted for actual plant count at time of shipping. These items may also be cooled for holding and may be dormant or semi-dormant with yellow or brown leaves; this is normal and will disappear with warm night temperatures above 65 degrees F.

A Note on Culture: Items with this ⚙️ symbol require supplemental lighting and temperatures to finish properly. A "Growing Recommendations" sheet will be included with every shipment, if these instructions are not followed, it may impair our ability to honor any losses and/or claims.

Prebooked 50's for late spring delivery: Swift is offering PREBOOKING for orders of 50 cell perennials shipped March 25 through April 29, 2019. These plants will be held dormant in cold storage for better scheduling of crops, to get predictable blooms throughout the season. As in the past, at once orders from availability will still be shipped during this time with no artificial cooling for as long as the plants can be sent safely.
