| Discounts       | Volume pricing begins at 50,000 cuttings and is based on total units of Syngenta products purchased from the previous season for all varieties except Mums and Poinsettias.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| Claims          | Must be reported to Germania Seed Company and be accompanied by photos within 48 hours of receiving plants. Claims placed after 48 hours of arrival may be denied by the vendor. Exact losses must be reported within 3 business days. Please take clear photos of any damage to the box and/or plants and include the tray label whenever possible. Approved quality or damage claims without photos will be credited at 50%. Claims placed after 48 hours of arrival may be denied by the vendor.                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Cancellations   | Orders for unrooted cuttings must be cancelled at least 14 days from the Monday of the ship week. Orders for callused cuttings must be cancelled at least 6 weeks prior to the Monday of the ship week.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| Additional Info | <p>The following items are grown in alternative locations and may not be combined for shipping:</p> <ul style="list-style-type: none"> <li>- Ipomoea grown and shipped from Mills River, NC</li> <li>- Geraniums, NGI's, and Dipladenia grown and shipped from Cuernavaca, Mexico</li> <li>- Spring Annuals and Kwik Kombos grown and shipped from Guatemala</li> </ul> <p>These items will be shipped separately and must meet their own minimum order requirement.</p> <p>Autostix available for many varieties. Please contact us for more information.</p> <p>New for 2025-26 program: Shipments to US will have a tariff applied to all unrooted cuttings. Any tariff that is in place at the time of the shipment would be added to the invoice as a separate line item and charged to the customer at the actual cost of the tariff at the that time. Due to the fluctuations of the tariffs being imposed, we are unable provide a precise amount at this time.</p> |
