Boxing & Other Charges	Box charges will be added to the freight charge at time of invoicing. Additional fees for insulated boxes will be added as needed in the winter months. A tariff will be applied to all varieties originating from countries that have an imposed tariff on the US. Any tariff that is in place at the time of the shipment would be added to the invoice as a separate line item and charged to the customer at the actual cost of the tariff at that time. Due to the fluctuations of the tariffs being imposed, we are unable to provide a precise amount at this time.
